CITY OF ONTARIO
\$10,000
HOUSING INCENTIVE
PROGRAM

WELCOME HOME

The Process

General

Who is Eligible?

Homeowners and contractors.

How much is the incentive?

\$10,000.

Any requirements on the home?

It must be a single family home and owner occupied. It must be new construction and over 1,600 square feet of living space in size, or 1,350 square feet if it has a two-car garage and two bathrooms.

When must the project be completed?

Within 24 months of the application approval.

Where can the home be located?

The home must be in the city limits of Ontario or annexed into the City.

It is our hope that this will bring new residential growth and broaden our tax base and create a more sustainable community.
