DATE: May 3, 2026

ADDENDUM NO. 1

Lions Park Parking Lot Project

NOTICE TO PLAN HOLDERS:

The following are clarifications on material and testing requirements.

1. Replace “2021 ISPWC” with “2020 ISPWC”. All work to be performed in accordance with the 2020 ISPWC.
2. Where 3” AC Paving is called for – Provide 3” SP-2 58-28.
3. Where 10” Pit Run is called for – Provide 6-inch minus uncrushed aggregate per the ISPWC Section 801.
4. Where 6” Road Mix is called for – Provide ¾” Type 1 crushed aggregate per the ISPWC Section 802.
5. Tonnage for materials as required for volumes indicated and shall be included in the bid.
6. All testing requirements to be in accordance with the ISPWC.
7. Bid additive B to include the removal of two (2) drive approaches and to be replaced with 6” high back curbing.

FAILURE TO ACKNOWLEDGE INCLUSION OF THIS ADDENDUM SHALL RENDER THE BID PROPOSAL IRREGULAR AND THE BID WILL BE REJECTED.

Sincerely,

Al Haun

Assistant Project Director
